

EXPLORING MAJORS & MINORS

OSU offers more than 87 majors that encompass over 200 options. Deciding on the major that fits you the best requires finding a major compatible with your interests, talents and skills to prepare you for a bright future!

How Can Career Services Help?

- One-on-one appointments
- Career assessments
- Consulting and conversation
- Research on majors and careers
- Finding ways to gain experience
- Assisting in narrowing down interests
- Reviewing options
- Job shadowing assistance

DISCOVER YOURSELF

Exploring majors begins by identifying your personal style, interests, skills, and values.

- Take a self-inventory
- Attend major exploring programs
- Take an assessment on HireOSUGrads.com
- Attend Majors & Minor Fair in October

EXPLORE OPPORTUNITIES

Choosing a major also requires identifying possible career options that match your interests.

- Get involved on campus
- Find a part-time job
- Meet with a Career Consultant
- Talk with friends and family

CONNECT THE DOTS

Once you have an idea of your interests and the career options available - it's time to pull it all together.

- Speak with professors in your desired major
- Job shadow
- Meet with your Academic Advisor or College Career Consultant
