Biography

As a OSU alumni I take pride in my university and the career it has set me into. I would love to share my experience and expertise with the students and also help them to launch their careers. With over 20 yrs in Management, Project Management, IT services and multiple start ups I would love to share the same with OSU students. I am open to speak on subjects like Business Management, Start ups, ERP and SAP Software.

About my Organization

Alpha Sirius Inc. is a Business Consulting and Technology Services firm focusing on Implementation, Business Process Optimization, and Support of Integrated Business Systems around SAP. We are a focused SAP consulting services organization, providing services revolving around various modules of SAP with a niche in Solution Manager, HANA, ALM & COE services. Alpha Sirius provides SAP solution services right from counseling and process consulting through to implementation with post support and hosting along with industry expertise and unparalleled geographic reach using best methodologies to ensure leading companies get superior value from their investments.

Career Readiness & Preparation	Start up or a Fortune 500 company - what is best for your career?	In today's world Entrepreneurship is as important as starting a career in a large company. Graduates need to make the right choice based on their background, interest and more importantly financial capability. As a Entrepreneur and also working in a Fortune 500 company, I can share my experience with both and help graduates choose the best.
