Biography

My name is Chris Greinert - Territory Manager for Techtronic Industries (TTI), and have been with the company for about 2 years. I was hired through our Leadership Development Program and am currently looking to hire the best and brightest from OSU. I would love to share my career path and discuss future opportunities within our Leadership Development Program!

About my Organization

Techtronic Industries (TTI) is a consumer products company that has grown from \$2.3 billion to \$7 billion in just 12 years. We have dominated the marketplace with world class brands such as Hoover, Dirt Devil, Milwaukee and Ryobi.

We are looking to hire "All Majors" with a focus around Sales, Management, and Marketing for our Leadership Development Program.
