Biography

My name is Erica Tyler and I oversee Campus Recruiting at Ryan, LLC. My job is to help bring in the best and brightest candidates to help grow our company. I graduated from OSU in 2011 with a Marketing and International Business double major and moved to Dallas to start my career in Account Management. After doing that for about a year I realized my true passion was helping bring in and develop our internal talent (employees). Since then, I have been helping students find their first career in the consulting world at Ryan, LLC.
