Biography

Born and raised in Germany, I came to the US in 2010 and embraced English as my second language. As a cowgirl myself, started my career with Enterprise as an intern before earning a full-time position as a Management Trainee upon graduation in 2014. I promoted quickly by taking over my own store in Moore. After just one year, I earned the opportunity to lead the Talent Acquisition department for Oklahoma at Enterprise. In this role I cover all 3 of our rental brands and 8 business lines across the state by leading the recruitment efforts for our full-time, part-time and intern positions. As a department head daily interactions with senior leadership occurs daily and I have the opportunity to impact the direction our company is heading.
