**Name:** GySgt Matthew Henson

**Organization Name** USMC Officer selection program

**Address** Stillwater , Oklahoma

## Biography

The United States Marine officer selection program is for students that are working to complete their 4 year degree and wish to serve in a officer capacity in the Marine Corps. Should the applicant be selected, they will go through a non obligatory 6 or 10 week program during the Summer in Quantico, Va. After returning they will finish their degree and either accept or decline their commission as a Marine Corps officer.

## About my Organization

The Marine Corps provides many benefits to both personal and professional growth. We are looking to have a greater presence on the Stillwater campus and are looking forward to meeting the bright young men and women that will lead the future.
